Enclosed are the original and one copy of the 2023 Exempt Organization return, as follows...

2023 Form 990

Each original should be dated, signed and filed in accordance with the filing instructions. The copy should be retained for your files.

To minimize the possibility of misunderstanding between us, we are setting forth pertinent information about the services we have provided for you. This letter is to confirm our understanding of the terms and objectives of our tax services engagement and to clarify the nature and limitations of the tax services to be provided.

We have prepared the federal information return for tax filing year 2023. It is your responsibility to provide us with all the information necessary for the preparation of complete and accurate information returns. We will not verify the information you give us; however, we may ask for additional clarification of some information.

We would like to remind you of the regulations & filing requirements regarding "interest in, or signature authority over a financial account or financial asset in a foreign country". If you believe, or question if, you have or have had any such interest at all during the year, you are responsible for providing our firm with all such detailed information necessary to prepare Form 114 (formerly 90-22.1) by your income tax return due date. Penalties for failure to disclose and file the appropriate forms are severe. Please ask us any questions you may have regarding these regulations so that we may help you avoid these penalties.

You should retain all the accounting records; documents, cancelled checks and other data that form the basis of the

income and deductions included in the returns. These may be necessary to prove the accuracy and completeness of the returns to a taxing authority. You have the final responsibility for the information returns, and therefore, you should review them carefully before you sign them. Should you have any questions or concerns about any items of income; deductions or tax positions, please do not hesitate to ask us to explain them to you. The accuracy of your returns is very important to us.

Our work in connection with the preparation of your information returns does not include any procedures designed to discover fraud or other irregularities, should any exist. We have provided only the accounting and bookkeeping assistance that we determined to be necessary for preparation of the income tax returns.

Your returns are subject to examination by the taxing authorities. In the event of an audit, you may be requested to produce documents, records, or other evidence to substantiate the items of income and deduction shown on the tax return. If an examination occurs, we will represent you if you so desire; however, these additional services are not included in our fee for preparation of your returns.

The law provides various penalties that may be imposed when taxpayers underestimate their tax liability. If you would like information on the amount or circumstances of these penalties, please contact us.

Our fees for tax and consulting services will reflect our standard hourly rates for the time spent, plus out-of-pocket expenses, including computer-processing charges. Hourly rates vary depending upon the skill level of the professional providing the services. Our bills are due when you receive them.

If the tax services and terms outlined above are in accordance with your understanding of our engagement, please sign this letter in the space provided and return it to us. We appreciate this opportunity to serve you. If you have any questions or need any additional information, please do not hesitate to ask.

The foregoing is in accordance with my understanding of your engagement to provide tax services. The terms described in this letter are acceptable and are hereby agreed to:
